**Core Solutions Expands Northeast Footprint Via New Partnership with Mental Health Connecticut**

**(King of Prussia, PA) – January 12, 2016** – Core Solutions, Inc., the progressive leader in integrated behavioral health Electronic Health Records (EHR) that transform the behavioral, medical and social services experience, today announced its partnership with Mental Health Connecticut (MHC), a statewide, nonprofit organization whose mission is to improve mental health for all Connecticut residents. This strategic partnership further expands Core Solution’s presence in the Northeast market, while providing MHC with best-in-class technologies to improve overall patient outcomes.

Currently serving health and human services organizations in 15 states throughout the U.S., Core Solutions has designated MHC as its lead agency in helping to develop Connecticut’s EHR marketplace. Dedicated to a similar structure of objectives, Core and MHC are well-positioned to improve care coordination and the lives of individuals by utilizing and raising awareness of better technology.

“Leadership in EHR technology for the behavioral health field is just one of the many reasons Mental Health Connecticut chose to partner with Core Solutions,” said Luis B. Pérez, President & CEO, Mental Health Connecticut. “Most importantly, both organizations share a dedication to improving the health and wellness of our friends and neighbors. With Core’s help, we will greatly increase our ability to do just that.”

“Our partnership with MHC is an advantageous opportunity that will help advance both establishments, as well as other health and human services organizations located throughout Connecticut,” said Ravi Ganesan, President & CEO, Core Solutions. “With more than 100 years of experience improving mental health services, MHC is the ideal lead agency to create heightened awareness about the fundamental role of EHR technology in improving care delivery and outcomes.”
