

## Core Solutions Establishes Behavioral Health Advisory Board

Leading Behavioral Health Experts Will Provide Strategic Input for Continued Evolution of Core Cx30 – The Integrated Behavioral Health Electronic Health Record Platform

King of Prussia, PA -- [Core Solutions, Inc. \(Core\)](#) the progressive leader in integrated behavioral health Electronic Health Records (EHR) that transform the behavioral, medical and social services experience for behavioral health providers, consumers and state agencies, announced today the creation of its Behavioral Health Advisory Board. The Advisory Board is made up of industry experts from all facets of the behavioral health industry including: Dr. Joe Parks, Dr. Carl Clark, Dr. Neal Adams and Dr. David Wanser.

The Behavioral Health Advisory Board was established to serve as Core’s strategic advisory team for the continued development of its clinical vision. It will provide influence into Core’s technology roadmap to improve upon Core’s integrated [Behavioral Health EHR solution – Core Cx360](#). Core Cx360 enables behavioral health providers to simplify the end-to-end behavioral health experience, deliver integrated care coordination, improve consumer engagement and streamline accurate provider reimbursement.

Core will utilize the knowledge from the advisory board to continue their vision for improving the provider and client relationship. These industry experts bring a global view of understanding the needs and requirements of both government and commercial providers of behavioral health services. The advisory members have vast behavioral health experience ranging from specialties in Health Homes to information health technology. With diverse backgrounds and a combined 100 plus years of experience in the healthcare industry each member brings a unique set of skills and experience that will tremendously benefit Core’s Behavioral Health Advisory Board.

[Dr. Joe Parks](#) serves as the Chief Clinical Officer for the Missouri Department of Mental Health. He is recognized nationally as the leading authority on the growing topic in behavioral healthcare, Healthcare Homes (HH).

[Dr. Carl Clark](#) currently serves as the CEO for the Mental Health Center of Denver and is nationally recognized as a mental health leader.

[Dr. Neal Adams](#) is currently the Deputy Director for the California Institute of Mental Health and is involved with various projects with a focus on quality improvement and systems transformation through technical assistance, consultation and training.

Dr. David Wanser is currently a Senior Clinical Consultant for a major health information technology company with a public sector focus and a consultant with a private practice focusing on behavioral healthcare and healthcare technology.

“Our team of industry experts making up the Behavioral Health Advisory Board is further validation that our vision is on target and we will continue to lead the behavioral healthcare EHR market,” said Ravi Ganesan, President and CEO of Core Solutions. “The Advisory Board will enable Core to anticipate the needs of the behavioral health industry and continue to develop our integrated behavioral health EHR solution so we can better met the needs of our customers and the populations they serve.”

“Each member of Core’s Behavioral Health Advisory Board brings significant industry accomplishments and experience that will be instrumental to the progression of Core’s EHR technology” said Charles Currie, Board member at Core Solutions

About Core Solutions, Inc.:

Core Solutions is the progressive leader in transforming the behavioral, medical and social services experience for behavioral health providers, consumers and state agencies.
